

WHAT'S HAPPENING THIS SUMMER AT WATERGATE BAY?

SUMMER IN CORNWALL IS SET TO GET EVEN HOTTER. THE HOTEL & EXTREME ACADEMY AT WATERGATE BAY IS UNVEILING 19 SPANKING NEW COASTAL ROOMS.

The Hotel's family offering has expanded, with its stylish Coach House providing plenty of choice for those seeking barefoot comfort by the sea. Not every family has two point four children and that's why amongst the 19 new rooms, some of the 12 family suites can sleep up to six people. Each room is kitted out with The Hotel's simple yet stylish décor – think New England meets Cornwall beach-chic... stripped boards, soft bursts of colour, bold prints and vintage-style cotton and linen.

And what about the kids? The Hotel's Ofsted registered Kids' Zone is open to children aged three-seven. Little ones can get stuck in with any number of activities including sandcastle building, rock pooling and treasure hunts. There is also a safe, soft play area. And those over eight needing to burn off excess energy, can hit the beach with Extreme Academy and have a go at Dually bodyboarding with mum or dad – the latest sport to reach the UK.

A new executive chef takes over the helm at The Hotel's Brasserie and Living Space as well as at The Beach Hut. Neil Haydock, of Fifteen Cornwall fame, will be bringing his passion for Cornwall's best seasonal ingredients and seafood to each restaurant. Sea-views come as standard.

Bring family, friends and partners to the two mile stretch of golden sand at Watergate Bay, there is almost always something exciting happening. Spend an evening watching the award winning Veuve Clicquot Polo on the Beach, be amazed at the English National Surfing Championships, or wowed by the Surfboats – the year is filled with events not to be missed.
